CC: Creekside Corporation

To All Creekside Corporation Employees And Customers,

There have been a few changes made to the management and the business operations at Creekside Corporation, however the same family values persist and live through! With all the changes brought by the merger with Waters Enterprises, we ask that you remain as loyal to Creekside Corporation as you have been over the last 15 years. It is the employees and the customers of a business that allow it to grow and strive. We have seen significant sales and customer loyalty within Creekside Corporation over the past years, that is the reason it has reached the point it is up to today. Here at Waters Enterprises we plan on making Creekside Corporation one of the biggest names in Corporate America, but we need your help and support! We ask that you put trust in us and we will not let you down, over the next few years we plan on seeing a thousand percent rise in gross income. With that type of sales increase the employees of Creekside Corporation can plan on bonuses and the customers will see customer rewards and increased services. One- thousand percent rise in the next three years! We can make it happen.

Thank You For Your Time And We Look Forward To Seeing Our Goals Reached!
